

THE BRITISH SUB-AQUA CLUB
LEICESTERSHIRE SCOUTS SUB AQUA UNIT

'TRY-DIVE/SNORKELLING'

Medical & Liability Disclaimer

Sub-aqua diving is a sport that requires general physical fitness and good health. Anyone with a medical history of diabetes, blackouts (epilepsy, etc.), perforated eardrums, high blood pressure or heart disease, any lung or respiratory disorder (such as Asthma), or dependence on drugs, may not be able to dive safely and so **MUST** seek specialist advice before contemplating taking up this sport including a Try Dive.

Try-Dives/Snorkelling sessions are available on the understanding that the persons taking part:

- a) Consider themselves medically fit and do not suffer from any of the disqualifying conditions mentioned above.
- b) Will, in the interest of safety, comply with all instructions given to them by the instructor.
- c) Are able to swim and be confident in the water.

Leicestershire Scouts Sub Aqua Unit's preferred age for participation in a Try-Dive is 14, but this may be reduced to 13 at the instructors discretion at the time of the event depending upon the amount of Try-Dive participants, kit availability & instructor numbers. Instructors are at liberty to impose a limit on minimum age or stature, as they consider appropriate.

Every precaution will be taken for the safety of visitors. The Branch, or Centre, organising the event reserves the right to terminate the session should there be reason to doubt fitness, ability or suitability to dive.
